TIPS FROM THE KENNEL

This is the time of the year when many of us have candy and special treats around the house. For humans this may represent a weight gain threat but for dogs and cats it is much more serious. Chocolate is a serious threat to dogs and cats- the more pure it is, the more toxic. Dark and bakers chocolate are the most dangerous. Individually wrapped candy is also dangerous because pets can also choke on the packaging. Pets can also become impacted if
